Nurse Assist Launches New Web Site

FORT WORTH, Texas - Nurse Assist, Inc., launches a new company web site including popular interactive user features such as blogs, commenting, social media sharing and videos.

“Our goal was not just to improve the look with an updated corporate identity, but to add user interaction and functionality that creates value each time the new site is visited,” says Cary Terry, Marketing Director for Nurse Assist.

Nurse Assist is an automated manufacturer of medical devices for senior care.
